A 13 YEAR love affair!

I've had a love affair for 13 years!

I've had a love affair for 13 years! I grew up with Sh'Zen so it has always been a loved brand in our household. I can only thank my mother, Suzette, for that opportunity and the journey of falling in love with Sh'Zen together with her. The facial and foot products have always been close to my heart. I'm very proud to say we only use the Sh'Zen hand and foot range for our manicures and pedicures in my salon. You just don't get better quality.

I'm in love with... OUR OPPORTUNITY

I love the monthly incentives because some of the products you would not have bought personally, but after using it, they become your favourite. On a more serious note... **the monthly MLM earned pays for my children's school fees.** We all know how expensive raising kids can be.

Salon Benisse
20 Witzenberg Dr, Stellenberg, Cape Town
salonbenisse.co.za

"The Spa Additive is the best! Not only for feet but I bath my kids in it every day. It helps with black marks, insect bites, to calm a fever and to calm them, but I mainly use it when they get home from school to wash off all the germs. Plus it leaves their skin feeling so soft - it is amazing!"

BECOME A SH'ZEN CONSULTANT!

I'm in love with... OUR PEOPLE

I have an average of about 85 active consultants in my downline. I really have an amazing team who stands together even though we are all suburbs and provinces apart. **We are not just a team - we are a family.** I have consultants that have been with Sh'Zen for longer than 25 years and I'm very proud to say we are one of the top teams in the country.
